You can buy large card theme collections Pok   mons and individual booster packs. Most booster packages contain 10 cards. The larger packages can contain up to 100 cards. Before buying, make sure you know how many cards you are getting in a package, so you can tell if you are or not a good value for your money. What types of cards Pok     Mon Are you buying? Even if you never know exactly what cards you will arrive in a package, you should know what types of cards you will receive. For example, themed bridges and A     life coach boxes tend to contain a mixture of pok   mon, coach cards and energy postcards. Booster packages usually contain most of the Pok     Mon character cards with a mixture of common and rare offers. The package contains everything you need to play? If you want to start playing immediately at Pok     Mon TCG, you want a package that contains everything you need. The theme bridges are ready-to-use bouquets that are complete with everything you need to start. Contain font cards pok   mon, energy cards and coach cards, as well as a paper play mat with the rules of the game on the back, counters to track how much give your damage your pok   mon took, e A coin for when you have to make head or code decisions (although the latter can be replaced with a dice). The bridges to die take the mystery out of the development of the bridge, even if the cards you receive are not always the best and often you get duplicate, so you'll probably build your deck from scratch once you get more experience. You can also find other options if you want a package that has everything you need to start playing, as a kit for coaches and Elite Trainer Boxes.This is the cost per card? It is difficult to compare the cost of the various Pok   Mon card packages, since they contain different card numbers. The best way to see if you are getting a good deal is to process the cost per single card. Normally, you will pay less for paper for larger packages. For example, Boost packages cost between \$ 4 and \$ 5 and contain 10 cards, then pay from 40 to 50 cents per paper. You can also buy boxes of 36 booster packages for \$ 90 to \$ 120, which means you will pay from 25 to 33 cents per paper. Attention to all the cards that seem too cheap and do not arrive in the original packaging, as they could be Fakes.AutionBeware of false pok   mon cards when you make your online purchase. The official cards Pok     Mon are produced by the Company Pok     N International.StaffbesterEviewsif you are new for Pok   Mon cards, think about why you are buying them. If you just want to collect and trade cards, you may prefer packages that only include cards with characters rather than energy boards and coach cards. With the app. If you don't have anyone playing with the Pok   Mon TCG, it considers using the online app of Pok   Mon TCG, which gives you digital versions of the cards in any official package you buy and allows you to play against your computer or opponents online .
