Sonic X Shadow Generations producer Shun Nakamura apparently told fans he'd be up for a Sonic '06 remake. This could give the game the chance that some fans say it deserves... ...or just make it the target of mockery again. If you were to ask a Sonic fan which game they'd like to see remade, you're most likely to hear Sonic Adventure, Sonic Adventure 2, or even Sonic Heroes brought up as contenders. What you're very unlikely to hear is a huge cry for Sega to take another stab at the widely mocked Sonic the Hedgehog (2006), often referred to as Sonic '06. Despite that, a producer at Sonic Team would apparently be up for doing just that. According to reports on a Sonic fan meet-up in Indonesia, Sonic X Shadow Generations producer Shun Nakamura has said that he wants to work on a Sonic '06 remake, and other producers didn't shoot this down. As reported by Tails' Channel, Indonesian fans are sharing reports from a Q&A. Here, one of the producers is reported by Tails' Channel, Indonesian fans are sharing reports from a Q&A. "When asked if Sonic Team will remake or remaster past games like 2006, and hits like Heroes, Adventure 1 & 2, or even consider a Sonic Adventure 3, he says that old and new games remain appealing," reads an account of the Q&A, translated into English by fans. "He has previously said he personally wishes for the opportunity to remake 2006." A remake of Sonic '06 would certainly be interesting. While it is pretty much universally mocked by the gaming community at large - and even much of the Sonic community - there are those who say it had the potential to be a good game. Maybe with the same love and care that Sonic X Shadow Generations just received, that could be the case. Or maybe everyone would just be laughing at the kissing scene in 4K this time. In any case, most fans would probably want another Sonic Adventure 3, so it's a very real possibility. Next Sonic X Shadow Generations is a good remaster of a fan-favourite game, but it's Shadow's story that steals the show, acting as more of a remake. Appearing on a special panel at a Sonic fan meet in Indonesia recently, the game's producer Shun Nakamura was asked about the chances of remakes or remasters of older games like Sonic '06, Sonic Adventure 1 and 2 and even a third Sonic Adventure game. As highlighted by Tails' Channel, Nakamura apparently mentioned how old and new games remain appealing. He's previously mentioned how he would personally like to see Sonic '06 get the remake treatment. Subscribe to Nintendo Life on YouTube 814kWatch on YouTube Creative director and character supervisor Kazuyuki Hoshino also supposedly mentioned how Sonic Team would continue to take inspiration from past iterations of Sonic games going forward. This aligns with Sega's comments about how it would channel Sonic's history to pave the way for his future. Just months ago, Sonic Team's head Takashi Iizuka mentioned how the team is happy to consider fan requests, if there's a particular Sonic title people would like to see make a comeback. And more recently he mentioned how he would be up for a remaster of the Sonic Advance series. What Sonic games would you like to see receive a makeover next? Give us your thoughts in the comments. Sure, some have been much better than others, such as the recently released Sonic x Shadow Generations, but even the worst games have some charm. Except for Sonic 06, the much-maligned and rough 7th Generation entry. It seems the producer of Sonic X Shadow Generations has some choice thoughts about everything positive I can say about that game, everything else is just horrible at best and abysmal at worst. The Human/Hedgehog romance plot? Awful, rancid, disgusting. The gameplay? Somehow even worse. Tails' Channel Sonic News & Updates! (@TailsChannel) November 10, 2024Tweet via @TailsChannel on X (Formerly known as Twitter) Shun Nakamura, producer of Sonic x Shadow Generations, was recently asked about old and new games in the franchise. The idea of a Sonic Adventure remaster lives on, but one thing stands out. The prospect of remaking Sonic The Hedgehog, also known as Sonic 06. Is there a chance that there is a diamond in the rough that we just didnt understand? Probably not, but I could trust Nakamura to at least make it more playable than it ever has been before. I would much rather see a proper remaster/remake of Sonic Adventure 2, to be fair. The Chao Garden still goes hard, even revisiting it all these years later. But, if a Sonic 06 remake needs to hit the block first, Ill be there to support this project. There were a lot of good ideas, just poorly implemented in the original game. Plus, it gives SEGA a chance to change up the lore of Sonic a bit and remove the Human/Hedgehog kiss that has plagued this game since its release. That, or well get it in 4K. Im not sure Im prepared for that. If youre eager to see what a Sonic 06 Remake could feel like, I have to mention Sonic The Hedgehog Project 06. This incredible fan project has been in the works for years at this point and offers a ton of QoL updates to the classic Sonic game. Give it a try. The amount of work poured into this project is staggering, to say the least. During a Q&A panel at the official Sonic fanmeeting in Jakarta, Indonesia (via), Sonic X Shadow Generations producer Shun Nakamura was asked about the possibility of Sonic Team remastering past titles in the series, such as Sonic 06, Sonic Adventure 2, or working on a possible Sonic Adventure 3. In response, he said that both old and new games have their own appeal. He personally expressed his interest in working on a remake of Sonic 06. Nakamura was joined on the panel by Sonic creative director and character supervisor, Kazuyuki Hoshino, and Sonic X Shadow Generations. Regarding Sonic X Shadow Generations, Hoshino talked about Shadows design, and how it is influenced by traditional Kabuki Sujikuma makeup, which symbolizes a powerful superhuman hero. Nakamura discussed the White Space hub in the game, and black Arms draw their energy from Earth. Hoshino mentioned that the reveal of Eggman and Marias extended family in Sonic X Shadow Generations inspired ideas for an Eggman spin-off game and the potential to explore family drama within the Robotnik family. Nakamura said that Silver was initially conceptualized as an alien with psychic powers before becoming a time-traveling hedgehog from the future. The Walking Dead: Empires from Gala Games had been in the works since 2021 with players initially paying as much as \$67,000 to claim a virtual plot Sonic 06 (known officially as Sonic the Hedgehog) is one of the most infamous games in the history of the industry, with the highly ambitious pseudo-reboot of SEGAs iconic mascot platformer being hampered by tight deadlines leading to one of the least optimised games of all time. Even so, the game held a great deal of potential, and so it is interesting to learn that the producer for Shadow Generations seems interested in remaking Sonic 06.As shared by the Sonicfocused page Tails Channel, during a recent fan panel multiple high-up members of Sonic X Shadow Generations. Curiously, when asked about Sonics past titles, and whether the team would consider remastering any of their prior releases, Shun Nakamura (the producer for Sonic x Shadow Generations) confirmed that both old and new games remain appealing in this regard. Most interestingly, Nakamura revealed that he personally wishes for the opportunity to remake the aforementioned Sonic 06. For the uninitiated, Sonic 06 was intended to be a soft reboot for the series which was made in alignment with the Blue Blurs 15th anniversary. Unfortunately, due to SEGA wanting the game out in time for the occasion, Sonic 06 arrived as a mostly-broken and highly unoptimised mess with almost 50% of the entire game time consisting purely of plain loading screens. Underneath all the issues however, Sonic 06 did hold a great deal of promise, and so the possibility of an official remake from Sonic Team would be highly interesting to see. Hopefully they get the opportunity to rewrite the history of Sonic the Hedgehog? Were you able to get through the whole game? How would you like them to approach such a remake?
