Bosch profutura 1400 manual

Finish high-quality creative wood projects like an expert with the POF 1400 ACE. Bosch Constant Electronic automatically adjusts the tool’s power, adapting to loads while maintaining speed for great results without the risk of overload. An adjustable routing depth can be set for impressive accuracy of up to 1/10 mm. Keeping a close eye on the job is simple thanks to an integrated work light and adapter for vacuum cleaner attachments enabling precise results. Inserting template guides are tool-free via the SDS system for convenient, time-saving work. Use this versatile tool when shaping, routing, countersinking, edging, and carving wood.
