App answers for loco

A robot to answer questions about the APP trivia. This bot takes screenshot of the game from the phone and uses Googlestc OCR cards to read questions and options. Automates the googling process of responses and gives the most likely answer! It's 85%+ accurate! Since it is against trivia application policy I encourage no one to use this during a live game and this is purely for educational purposes. Packages used Use python 2.7 or you can use python37(some compatibility issues)particularly the packages/books used are... JSON - Pillow data storage - Google-Search-API image manipulation - Google search pytesseract - OCR free/open source of Google (separate installation)soup4 - Parse google search/html lxml - BeautifulSoup parser opencv2 - Image handling pyscreenshot - Take screenshot of the game To install these install python 2.7 requirements Install over \$ pip packages install Tx Forct \$ sudo apt-get installct-ocr in linux distribution For opencv Android adb Whether you have Android sdk or minimum ADB Use Make sure all the packages above are installed. For use of Android phones, To use this script: Connect your Android phone via the usb cable start site app when you see the questions press I and enter \$ git clone \$ cd loco-hack \$ pip install -r requirements. txt \$ python bot. P Press I for live game, s to run against sample or q questions to stop: s...Question... bot2.pybot will run in demo mode by default , to run the live demo set= fake to line 129 step to set CO-ORDINATE take a question screenshot with option go to the phone settings > development option> pointer positioning turn on the pointer position get both coordinates (i.e. higher and lower) of the question and all options set these values in bot2. py file from line number 91 ,95 , 98 ,101 contributes all contributions welcome. android app todo: improvement of speed credits shubham tyagi all contributors useful links Wikipedia-API Google-Search-API tile six license mit (mit) views free Fire20.0MPUBG18.3M viewsValorerant5.32M view 53.46M viewsaltri 1.73M viewscall of Duty1.46Mlash of clans872k views best way to win and win the free prize. trivia quiz answers questions live – try to answer all the difficult and normal questions easily from ok google tricks. his work and checked. So here we are going to share our trick & experience requirements - two devices android fast internet connectionAll Live Video Quiz – Hey Tricks band member today we are equipped with a really nice makeup for you I hope that all already try on site and mobshow app & you do not answer all questions, but today we are going to share a method with this method you can answer all questions correctly from Google MobShow App reply method – This is more popular Trivia Quiz show among all live quiz app. after launching the app its common 10 paytm cash referral. now the offer has expired but you have the opportunity to win the free paytm lot playing MobShow contest every day 1PM, 4PM & 9PM so you can prepare to play those Contests. Loco App (Trivia Game) – The Loco app is a live quiz transmission that lives every 1:30 and 10Pm and there you can earn up to 50K paytm cash answering 10 questions. we already have a separate article on this application you can read full information about Loco App from here BrainBaazi App – This is the easiest questions live answers this application also pay paytm cash all those who can answer correctly of all questions. this app pay pay paytm to all Winners within 5 business days. Most important points of the app that here you get the simplest question and the maximum of players win from this contest. Read full information of BrainBaazi App Uc Browser OMG Cash – Paytm Questions contest looked every day from 9PM and this contest sponsored by Bigo live video app. from this contest you could earn up to 1 lakh paytm cash answering 12 Different questions. we have gotarticle that you can read full details of UC Browser OMG Quiz OMG Cash Offer WeShow App – Every day 5PM this contest is Started and you could earn every day 100 paytm cash & its pay 10,000 paytm cash every day its also a popular Quiz show if you are interested in getting to know WeShow Read Full Article Here Earn Free Rs.10000/- Paytm Cash Show now we see how to earn money from the contest live questions above. follow the steps below How to answer all questions correctly from Ok Google Method – 1. (first device) First of all you User Download Google App from here / If you already have it on your device So not required to download again 2. (Second device) Volume on your phone and declared the Quiz of Start Show 3. (First Device) Stellato Google Voice Search & get ready to click Mike Icon 4. (Secound Device) When Quiz Master Ask a question 5. (First Device) Click Google Voice Search Mike Icone And it will automatically scan your voice and find answers instantly 6. Now see the answers and click the correct one (Quickly) 7. This way you will be abe at 80% answers to 100% questions If you use Fast Internet Connection Note – We are not responsible for your wrong answer Selection and for the time beyond problem (Do Try Hole Process As Fast As You Can) Loco Questions Today – Loco has a special team that find simple and knowledge-based general questions, playing on the exact time, where answering all questions you have got the free prize,the game then you did not get any way, because this game for talented people not to cheat, doing any kind of cheating is unable to win this game, so, use your brain & take your friends & family help. Can we search for questions on Google by typing questions? You can definitely, but you will get 10 seconds for each question. I think it is not possible to write a complete question and find out an answer. Then we suggest you try Google Search App entry through the app you will get answers Immediately by typing any question. is the fastest way to answer all questions You need to read the final description of answers of live questions Contest Information – So this was a trick to answer all the questions. if you know any Replies correctly then do not try to check the Google search method. for difficult and uncommon questions you can use this method Thank you for reading this article for further questions or information leave your comment on under Section comments. Thank you. continue to visit our blog and keep Earing Unlimited every day. 99+ Free sample in India answers for loco app
