This guide will highlight the main mission strategies and Gold Medal requirements needed to complete every main story mission. Check out more of IGN's GTA5 Walkthrough for info on Cheats, Easter Eggs, Strangers and Freaks and a lot more.This Random Event is only available for a limited time! Once you complete the Jewel Heist and start Trevor's first mission, the Random Event is lost.This Random Event is located at Simeon's car dealership in Strawberry and is available after completing Father/Son. The event has to be manually triggered by Michael or Franklin (it does not pop up on the map).When you enter the dealership, Simeon will run away and you'll need to deal with his hired bodyguards. Take cover near the cars and shoot both of the men down to complete this Random Event.Unfortunately, Simeon cannot be killed at all so once he runs away, you'll have to deal with the two shooters. Even if you run after him, you can't target and shoot him, so don't bother. Once that's done, exit the dealership to complete the Random Event. This page of the guide to Grand Theft Auto V has a walkthrough for mission 5 - Complications. Our GTA 5 guide will help you get inside the residence, steal Michael's car, and win the fight with Simeon in the car salon. Mission 5 - Complications general informationWay to unlock: You need to complete Main mission 3 (Repossession). Visit Simeon Yetarian's car dealership again (letter S on the world map). Playable characters: Franklin, Michael Additional information: IT is another, quite unique, mission. Its first part will get you acquainted with quite simple mechanics of sneaking. Its second part is even more interesting in that it introduces Michael into the main campaign mode, and tutors you on fighting melee fights. To the extent it is possible, I recommend that you practice melee fighting beforehand, to avoid problems with completing this mission in 100%. Mission 5 - Complications full walkthrough Reach the car dealership and approach Simeon Yetarian, who should be staying in front of the building. After you watch a cutscene, go to the Rockford Hills district (the Northwestern part of Los Santos). On your way there, listen to the phone talk with Simeon. Stop after you find yourself near the villa that you need to steal the vehicle from. Locate the gate shown in the above screenshot, hop over it and land at the premises of the estate. The gardener Start by pressing the analog stick, so Franklin can start sneaking. Along your way to the estate, you will probably notice the gardener working on the left and, although it is absolutely viable to walk around this character, I recommend that you sneak up from behind to him and knock him down. It is one of the requirements to receive the 100% status after the completion of the mission. An open window on the first floor Do not attempt to use the main entrance to the villa, because it is locked. Instead, go to the right of the entrance, to reach the gardener's car (the above screenshot). Climb onto the roof of the car, and then onto the fragment of the roof. Performing both of these actions will allow you to reach the open window on the villa's upper floor. Garage entrance Stop after you reach a small bathroom on the upper floor and wait for the young woman to go to her room. Go towards the stairs that lead to the ground floor. Turn left here and approach carefully the woman, who is flirting right now with the tennis instructor. At the first opportunity, turn left again, which will allow you to reach the garage. Get into the SUV parked here (Karin BeeJay XL). Carefully, drive out of the garage, and from the estate and drive towards Simeon's dealership. On your way there, you are up for an unexpected encounter with Michael and, if you want to take a better look at him, press the button that the game prompts you to. Complete your drive to the dealership and stop near the circle marked by the game. After you watch another cutscene, move the car, you need to cut through the wall of glass shown in the above screenshot. Perform dodges and wait for opportunities to land a blow Soon, you will cut to Michael and you will have to fight a melee fight. If it is your first fight, you necessarily need to get acquainted with the information displayed on the screen, concerning the buttons used in fights. Start by locking onto Simeon and start performing dodges, while waiting for the convenient moment to land a blow. After you have inflicted enough damage to the car dealership owner, the mission will end. Rewards and challenges in mission 5 - ComplicationsRewards for the completion of the mission: 300 dollars (Franklin)Michael character unlockedNew activities n the world map unlockedRequirements for the completion of the mission in 100%: Time - you need to finish this mission within 5 minutes. Try not to lose too much time while sneaking and while fighting Simeon at the end of this mission.Can't Touch This - Michael cannot take any damage during the melee fight. The key to success are, naturally, correctly performed dodges. Dirt Nap - You need to sneak attack the gardener staying in the estate. No, Simeons Delivery Garage is inaccessible in GTA V.Locations and pictures of all of Simeon's car requests.Doing Simeon's car list export requests is a great way to make a quick buck in GTA Online. They're usually quick, simple, easy and can be done in between or during other activities. Doing Simeon's car lists is useful for lower level characters, but anyone can benefit from the pocket-money these missions pay out.When dealing with regular export lists, the cars will be readily available throughout traffic, so you won't be needing any kind of guide to help you out in that regard. Hopping into a designated car will slap you with two wanted stars, which you'll have to lose before you deliver the wheels to Simeon. The cash reward for these cars is always their LSC sell price plus an additional premium for completing the job. You can check out the handy table below for specifics. This add-on cash is what makes doing the mission more profitable than simply selling the car, however it does depend on the vehicle's condition.VehicleNormal LSC Sales PriceSimeon Sale Price"High Priority" Simeon Sale PriceWestern Bagger\$1,600\$2,400\$3,100Western Daemon\$2,000\$3,420\$3,954Maibatsu Penumbra\$2,400\$3,654Approx \$4,800Karin BeeJay XL\$2,700\$4,300\$5,320Bollokan Prairie\$2,500\$4,249\$5,324Albany Buccaneer\$2,800\$4,539\$5,524Bravado Gresley\$2,900\$4,845Approx \$5,750Vapid Dominator\$3,500\$5,250\$6,899Schyster Fusilade\$3,600\$5,720Approx \$7,150Cheval Surge\$3,800\$6,110\$7,470Emperor Habanero\$4,200\$6,730Approx \$8,300Mammoth Patriot\$5,000\$7,500Approx \$10,000Fathom FQ 2\$5,000\$7,500Approx \$10,000Obey Tailgater\$5,500Approx \$8,700Approx \$11,000Dundreary Landstalker\$5,800Approx \$9,000Approx \$11,500Benefactor Serrano\$6,000\$9,254\$11,770bermacht Sentinel XS\$6,000\$9,070\$11,770Ocelot Jackal\$6,000\$9,350Approx \$11,900Benefactor Schafter\$6,500\$9,804\$12,795Ocelot F620\$8,000\$12,000Approx \$16,000High Priority RequestsWhile these are simple and easy, there is another version of the mission: High Priority Requests. In this case the rules of the game are changed up a bit. All High Priority cars are marked on the map with a green car icon, so finding them won't be too hard. That said, they'll always spawn in one of ten locations: The parking lot at the Observatory The parking lot at Los Santos Golf Club Fleeca Bank carpark in Chumash, on the east side of the Great Ocean Highway Del Perro Pier parking lot Vespucci Beach tennis court parking lot Maze Bank Arena upper car park Boulevard Del Perro at the street car park near Bob Mult in Rockford Hills. Parking lot on Vespucci Boulevard west of the Maze Bank Tower behind the Alta Street apartments. Northern parking lot at Vinewood Racetrack Puerto Del Sol CarparkHowever, in the case of the regular vehicles, even though typically they tend to spawn in traffic with higher frequency if they're on the list Simeon sends you, in some rare cases players may not encounter any of the rides too easily.The vehicles which have no specific spawn point and appear in regular traffic with higher frequency if they on Simeon's list are the following: Maibatsu Penumbra Bollokan Prairie Bravado Gresley Emperor Habanero Fathom FQ 2 Benefactor Serrano Ocelot Jackal Benefactor Schafter Ocelot F620A good bet with any of these vehicles, if for any reason they're proving hard to find, is to drive another vehicle of the same type. If you are looking for an SUV, drive a different SUV. Drive a coupe when looking for a coupe or a sedan when looking for a sedan. None of these vehicles have locations with higher spawn rates, unlike those we're detailing below.Several vehicles won't show up as readily in traffic, and rather have a few sweet spots across the map where they're likely, or almost guaranteed in some cases, to spawn. If you are having trouble finding a specific vehicle, chances are we have it covered below.High Spawn Rate LocationsSimeon's cars are generally found all over the city, but there are certain locations with a higher spawn chance. The locations are as follows:Western Motorcycle Company Bagger(Very Rare)This motorcycle will spawn on the sidewalks in the area shown on the map.Western Daemon(Rare)You are guaranteed to find some of these bikes at the golf course parking lot, if they are on your list of Simeon vehicles during regular free roam, they spawn randomly throughout the world with a higher chance if you are riding another bike.Karin BeeJay XL(Common)The Karin BeeJay XL will be outside of the Criminal Records rare in the area shown on the map.Albany Buccaneer(Rare)The Albany Buccaneer can be found parked on Wednesdays between 11:30 and 18:00 at the spots marked on the map.Vapid Dominator(Rare)The Vapid Dominator will be parked outside of Los Santos Customs at the area marked on the map on Tuesdays in the evening.Schyster Fusilade(Semi-Rare)The Schyster Fusilade spawns in the area shown on the map below on Sundays at 11:25.Chevel Surge(Semi-Rare)The Chevel Surge spawns outside of the Video Alcove store marked on the map below on Mondays between 6:00 and 9:30.Ironically enough, you can also find the vehicle parked right outside Simeon's Premium Deluxe Motorsport showroom.Mammoth Patriot(Common)Go to the spot marked on the map below. The Mammoth Patriot will either spawn parked on the dirt road near the bridge or being driven through the streets at night.As mentioned earlier, Del Perro Pier is a good spot for these Simeon vehicles. You can also find the vehicles on nearby roads. The Mammoth Patriot can be found on one of these roads around 15:00 on Sunday (in-game time)Obey Tailgater(Rare)The Obey Tailgater will appear in the parking lot of golf course in the area shown here on the map. However, it will only appear if you've received a text message from Simeon asking you to get it.Dundreary Landstalker(Common)The Dundreary Landstalker has a high chance of spawning if you are driving another SUV and is a guaranteed spawn at the Sandy Shores junkyard. You can find two of them at this location.Ubermatch Sentinel XS(Semi-Rare)You can catch the Ubermatch Sentinel XS at the area marked on the map below.There is a second spawn location found at the marker on this second map, however this is the rarer modified version.As this is a rare spawn it won't appear all the time. Refer to the video below for a detailed guide on how to acquire the vehicle.It can be found in the Western Vinewood area.Benefactor SerranoThe Benefactor Serrano can be found in the Rockford Hills area on Saturday around 13:00 afternoon (in-game time).
