Expand At TherapyByPro, we've learned what works well with mental health clients, so we've designed our mental health worksheets with what we've learned along the way. Our mental health worksheets were built to streamline your mental health practice and better help your clients. Each worksheet can be used for all of your clients and saved on your computer or in the cloud for easy access. Creating custom worksheets by a professional graphic designer can cost you hours of time and typically \$30 to \$100+ per hour in design costs, which quickly add up. Our mental health worksheets sell in bulk to mental health pros around the world, so we are able to offer our templates at low costs. Each purchase allows 1 mental health professional the ability to use a worksheet commercially with their clients. How Long Am I Licensed To Use Each Worksheet I Purchase? Expand Once you purchase a worksheet, you are licensed for life for one mental health professional. If your business has more than one mental health pro, we ask that you use the honor system and purchase the correct number you need. Your access to download worksheets never expires. Can These Worksheets Be Edited? Expand Due to the nature of how PDFs work, you won't be able to edit the document directly. However, we do provide a 3rd party website if you need to make text edits to your worksheet in your invoice instructions once you make a purchase. What Is Your Refund Policy? Expand All sales are final and TherapyByPro enforces a strict no-refund policy. This is due to the immediate nature of delivery of the digital downloads upon purchase- you will get instant access to the documents and can see all information in the documents therefore we cannot offer any money back. However, you can see exactly what pages are included in each product if you scroll down. All of that being said, 99.8% of our clients never request a refund. Our help line email info @ therapybypro.com is able to help the other. 2% almost always to resolve lingering questions + problems without issue. Do You Create Custom Worksheets? Expand While we don't take on custom worksheet projects, we do take suggestions for future worksheets! We have received many recommendations and have created many new worksheets as a result. Have an idea for worksheets you think would benefit other mental health pros? Reach out to us at info @ therapybypro.com Join more than 10,000 mental health professionals around the world that trust TherapyByPro for tools, forms, and worksheets to streamline their practices and help clients live their best lives.
