Aspose.Slides PPT to Video converter is a free online service for converting PowerPoint presentations to videos. Slides: Convert all slides in a PowerPoint to video. Or you can select specific slides or range of slides for conversion. Slide duration: Specify the time that is spent showing each slide in the video. Video resolution: Select the resolution that determines the amount of detail in the video. If you plan to display the video on a big screen, you will do well to select HD. In such case, FHD is probably even better. Transition: Select the transition that is played between slides in the video. PowerPoint transitions give life to presentations because they provide additional on-screen movement and interest for audiences. The presentation to video converter is a free service powered by Aspose.Slides.
