Grammar rules PDF: Past simple and continuous PDF rules Grammar rules with examples. English grammar PDF All PDF grammar rules on this website. Past continuous tense FormWe make the past continuous tense with the past tense of the verb to be (was, were) and the present participle (-ing form). Positive statement: I was sleeping. You were sleeping. Negative statement: I was not listening (I wasn't listening). You were not listening (You weren't listening.) Question: Were you crying? Was he crying? Negative question: Were you not running? (Weren't you running?) Was he not running? (Wasn't he running?) UseWe use this tense for activities or situations that were not completed at a point in the past. Completed (past simple): I repaired my bike yesterday. (I finished my work.) Incomplete (past continuous): I was repairing my bike yesterday. (I did not finish my work.) Completed (past simple): When I heard the doorbell, I switched off the TV. (First I heard the doorbell and then I switched off the TV.) Incomplete (past continuous): When I heard the door bell, I was switching off the TV. (The doorbell started to ring when I was switching off the TV.) Completed (past simple): We had dinner at seven o'clock. (We began to eat at seven o'clock.) Incomplete (past continuous): We were having dinner at seven o'clock. (We started before and finished after seven o'clock.) Compare:Past continuous vs. past simple Compare the typical use of the simple and continuous forms. Our tip: English grammar books PDF All PDF exercises and grammar rules from this website. top Related Topics: More Lessons on English Verbs have different forms, called tenses. The tense of a verb tells us when the action happens. The past continuous tense indicates an action that took place continuously in the past. It is usually used with the past tense. In these lessons, we will learn Forms of Past Continuous Tense When we can use the Past Continuous Tense Negative Forms of Past Continuous Tense The following table gives some examples of past continuous tense. Scroll down the page for more examples of when and how to use the past continuous tense. Forms of Past Continuous Tense was + present participle = past continuous were + present participle = past continuous Examples: She was cleaning the room. I was stacking the chairs. They were waiting for the bus. We were listening to the music. When can we use the Past Continuous Tense? We use the past continuous tense to describe a past action that happened over a period of time. Examples: He was finishing his homework. I was sweeping the corridor. We often use the past continuous together with the simple past in the same sentence. The word when is usually used. Examples: She was cooking dinner when I came home. When I met James, he was looking for his dog. When she was sleeping, the phone rang. We can use the word while to indicate two parallel actions that are happening at the same time. Examples: Ben was singing while Sarah was dancing. What were they doing while she was crying? She was doing her work while waiting for Paul to come. Negative Forms of Past Continuous Tense We form the negative by adding not after was/were. Was/were + not + present participle Contraction (or short form): was not = wasn't were not = weren't Examples: She was not paying attention, when the teacher called her. She wasn't paying attention, when the teacher called her. You were not listening. You weren't listening. This video explains how to make and use the past continuous tense.
