They are known to be very optimistic and adaptable, making them well-liked by peers and colleagues.They have an overall cheerful disposition that makes the bad days a lot more bearable.They are also outgoing and sociable and feel most alive in the company of people they like.Rat people are resourceful, and they will make the most out of what they've got. They have their quick wits about them that will tell them which way to go or what to say during tricky situations.They can easily adapt to any situation in any environment. Because of their rich imagination and quick thinking, they can easily take advantage of many opportunities.Rat people are also naturally curious. They will try their hand at anything they believe will improve their skills or save their lives. They are also often successful and skillful at them.They have a sharp perspective on things and will impart good insight. Because of their good judgment, they very rarely make mistakes or get into trouble.They are meticulous and organized and will always demonstrate a good attitude towards work.Rat people have a very active and sociable nature. They love attending social occasions and being around people.They enjoy meeting new people and making new friends, but they don't always bring the friendship further than that.Rat people find it easy to enter a relationship with someone, but they just as quickly break it off.They can also be unstable with their emotions and stubborn with their beliefs. Sometimes they are picky and querulous.What Element is 1972?If your birth year is 1972 and your Chinese zodiac sign is the Rat, your element is water.Water Rat people are highly intelligent and perceptive. They know a lot of great skills that they use whenever they are needed.They are deep thinkers who like to share their thoughts to help themselves and others.They are eager to learn, which is why they are quite talented in different aspects of their lives.Water Rat people are quite popular wherever they go, but they are scared of being sad and alone, which can prompt them to be involved with the wrong crowd.They will do well in careers where their talent in writing will be utilized. They are often brilliant journalists, novelists, poets, and playwrights.Water Rat people are also sidetracked quite easily. They would benefit from focusing on one thing first before moving on to the next.There are times when their confidence is low, and this greatly affects their creativity and productivity.But they will always want to be in a busy environment with a lot going on because the energy stimulates their minds.When they're in a restrictive environment, they can get restless and bored. They can also fall into a deep depression.Water Rat people are natural born entrepreneurs, and they will always be looking for ways they can improve their lifestyle and increase their wealth.They will always be on the lookout for the next big opportunity.Water Rat people hate waste. They don't like parting with their things, even if they no longer serve a purpose in their homes and are just occupying space.They are known to be greedy and will always accept social invitations, as long as they're free.They are very effective communicators, but sometimes they can be tactless or careless about criticizing other people right in their face.If you're looking for an honest and unprejudiced opinion, don't hesitate to ask a Water Rat!Throughout their long and eventful lives, Water Rat people will make a lot of friends and make wonderful connections.But they are truly family oriented people who desire nothing more than to live a happy, safe, and comfortable life with them.They will do everything in their power to give their loved ones a good life, making Rat people extremely loyal, caring, loving, and responsible parents and partners.Best Love Matches for the 1972 ZodiacThe best love matches for the Rat are the Monkey, Dragon, and Ox.These love matches can result in a happy and lasting marriage and a very harmonious relationship.The Rat and the Ox will have a strong and intimate relationship. The Ox will be attracted to the Rat's romantic gestures and passionate love, and the Rat will be secure in the Ox's faithfulness.They will treat each other with love, honesty, and respect, and they will be deeply attached to one another.When they both add in a little romance to their relationship, the partnership will be so much happier and stronger.They can put themselves in each other's shoes, so there will be very few reasons to fight. But one may want to be in control sometimes and ask for personal space.Other than that, it will be a very loving, respectful, and satisfying relationship.The Rat and the Dragon are both loyal, faithful, and honest when they are in a relationship. They will both respect each other's personal space, too.They have a positive attitude that will be very advantageous when they're going through hardships in their relationship or in their marriage.They can depend on each other every time. They can also be counted on to give loving advice and honest criticism to each other. These are what will strengthen their relationship over time.The Rat and the Monkey are also a compatible pairing because they can help discover each other's potentials.They will also enjoy a peaceful and harmonious cooperation that will yield love and happiness.With this pairing, there's a romantic one and a faithful one. Their relationship will grow more stable over time, and they will develop strong and more powerful feelings as time passes.They are both persistent people, and they can keep inspiring and enlightening one another with every relationship milestone.They will be each other's confidante and trusted adviser. The Monkey will help the Rat get out of their depression during the difficult days, and they will also get guidance from one another regarding different aspects of their lives.When Rat people fall in love, they remain optimistic. No one can rain down on their love parade, and nothing can scare them away.This nature of the Rat is very attractive to people, and they are never without a crowd of admirers because of it.When Rat people settle in a relationship, they become more patient, devoted, and mature. Their attitude changes for the better, and they become more understanding, generous, and forgiving.They become more selfless, courageous, and responsible.Rat people are often relaxed and laid back when it comes to love. But once they are in a committed relationship, they will take it very seriously.They will be themselves and show their true nature. They will remain realistic about a lot of things, but they will also be the past partner that they can be.Single Rat people love the good life. With their irresistible charm, they will treat love and romance like an extended practice game until they find the right person.The right person for the Rat is someone who shares the same beliefs and keeps them grounded to reality.They sometimes have the tendency to get lost in their fantasies. This often leads to unrealistic expectations and unsound decisions.They say they want to have a spiritual kind of love, but they are very materialistic.Rat people spend a lot of time looking good for people, hoping to attract them and make them fall in love with them.But once they find out that they are not who they say they are, they will lose heart and quickly change their minds.Rat people will fall in love again and again because they are somehow fascinated by the game of love.They are one of the most passionate people you will ever meet, which means they can also be one of the most jealous.When you fall in love with a Rat, make sure that you will be faithful. Partners of Rat people should be passionate, patient, and strong, and not just full of promises of undying love.Wealth and Fortune for the 1972 Chinese ZodiacRat people are very thrifty. People may accuse them of being selfish or greedy because of their desire to keep their money to themselves.But in reality, they are very generous with their money, especially when they're going to spend it on their family and close friends.They often deprive themselves of small luxuries so that they can shower their loved ones with beautiful gifts.Rat people have one goal, and that is to be successful. They will spend their whole lives working hard and looking for recognition that they know they deserve.Financial rewards are merely a bonus.Rat people invest their money and energy into something grand but fail because they pay too much attention to the small details and lose sight of the big picture.Anything can be a distraction for Rat people. But their charm and winning personality may be enough to get them through their financial hardships.They have a lot of skills and talents that they can put to good use to survive and to succeed.Lucky Symbols and Numbers The lucky numbers for the Rat are 2, and 3, and any combination of these numbers.The lucky colors are green, blue, and gold.Lily of the Valley, African violets, and lilies are the lucky flowers.The northeast and southeast are known to be the lucky directions.They lucky gemstone for the Rat is garnet.3 Unusual Facts About the 1972 Chinese ZodiacThe Rat Chinese zodiac's season is winter.People who were born under this Chinese zodiac are very cheerful. They are also outgoing, optimistic, imaginative, creative, and intelligent.The downside of this Chinese zodiac is that they are very strong-willed, secretive, grouchy, picky, emotional, and unstable.My Final ThoughtsRat people may look cool, calm, and collected. But underneath their calm demeanor is an aggressive side to their personality.They often use their powerful intellect to make decisions during critical moments. They are also very thorough when it comes to the littlest details.Rat people are practical, but they sometimes don't have the courage or the vision.Their success is sometimes impeded by their own greed or by their conservative views.Their secret fears make them quite unpredictable, so don't let their charming personality fool you.Rat people are survivors. They always find a way to get themselves out of a bind, and they come up with creative and imaginative ways to do that.They are also perfectionists who expect other people to meet their exceptionally high standards.This is why it's hard to remain friends with them. They are hard to please, and it will be emotionally exhausting for some people.They are wise beyond their years, but they don't easily trust anyone. Because of this, they may end up lonely and alone.Everything can be sweet and magical when they love you, but they can grow suspicious and paranoid when they can't trust you anymore.When you meet a Rat person, you will notice that they have an opinion about everything, and they complain about even the most insignificant things.If you want to get along with them, you need to learn to listen. Listening is their love language.Treat them with respect and sincerity because their first instinct is to be suspicious. They also like a simple lifestyle, so don't make the mistake of expecting an expensive gift from them, either. year of the rat 1972 element. born in the year of the rat 1972. chinese calendar 1972 year of the rat. 1972 year of the rat 2020. 1972 year of the rat 2021 predictions. what kind of rat is 1972. what type of rat is 1972
