Source Ashley Apr 24th, 2017 When the Legend of Zelda: Breath of the Wild came out for the first time, we detail all the ridiculous guides that would be published next to him. The furthest of those is the luxury hardcover guide, which usually sells for \$ 79.99 and is seen in the photo above. Its quality is similar to that of Hyrule's book History that was published a few years ago, so is a must for serious collectors. Curious what this book has inside? Take a look at this deboxing someone did on YouTube. If you didn't pick it up when the game first debuted, once, Save a lot of money now, since Amazon has dropped the price of \$ 79.99 to \$ 48.48, which is just 40% discount. It is not a bad deal if you are a big fan of Zelda. What did you buy the luxury guide or you have finished with Breath of the Wild? I have the Hyrule story sitting as my tablebook in the living room, maybe it's time to get a new one.
