Mt alvernia academy newton

Mount Alvernia Academy, a beacon of Franciscan Catholic education, has been illuminating young minds for over 95 years since its inception in 1927. Founded by the Missionary Franciscan Sisters of the Immaculate Conception, this esteemed institution is named after Mount Alverno, Italy, where Saint Francis of Assisi received his sacred stigmata. From humble beginnings with just 13 students and a handful of dedicated sisters, Mount Alvernia has blossomed into a tight-knit community of 300 students and a team of devoted educators. Rooted in the traditions of Saint Francis and Saint Clare, Mount Alvernia Academy's mission is to foster an inclusive, challenging environment where students can grow intellectually, spiritually, and emotionally. The school aims to cultivate responsible stewards of the Earth who possess a desire to share their God-given talents with the world. God created me to live not just for myself but to share my gifts with others. By following in the footsteps of Jesus, Saint Francis, and Saint Clare, I strive to make the world a better place. Mount Alvernia Academy offers its state-of-the-art gym facility for rent, equipped with 6 basketball nets, a stage, and restrooms. After-school hours are available from 5 pm to 10 pm, while weekends offer extended hours from 8 am to 10 pm, with a minimum two-hour booking requirement. Mount Alvernia Academy prides itself on its welcoming community, attentive teachers, and accommodating administration. As testified by parent Ann, "Due to frequent moves, we have had experience with four different elementary schools through the years... [At MAA] my children had a smoother (seamless, even) transition than to any other school." Several teachers made a lasting impact on the author after 30 years, leaving a strong impression that still resonates today. A supportive yet challenging environment helped shape their academic journey. From a Goddard school to MAA and then BC High, they adapted to new settings, refining their skills along the way.
