Instead of charging the Power Gauge, the Power Gauge is now filled whenever the player strikes the opponent or by performing Special Moves. The player can stock up to three Power Gauges. The player can use one stock of the Power Gauge to perform a Super Special Move or enter a 'MAX' mode, in which the player's defensive and offensive strength are increased.Performing a Super Special Move while in MAX mode will make the player perform a more powerful Super Special Move. Extra mode is based on the first two games in the series, KOF '94 and KOF '95. Like in those games, the player fills the Power Gauge by charging it or defending against the opponent's attacks. After the gauge is filled, the player enters MAX mode and like in Advance, their character's offense and defense will increase. The player can only perform Super Special Moves in MAX mode or when the life gauge is near empty and flashing red. When the player performs a Super mode in MAX mode while the life gauge is flashing red, then the Super move will be even more powerful. The Emergency Roll maneuver from KOF '96 used in Advance mode is replaced by the side-step from KOF '94 and KOF '95.Vizzed Retro Game Room offers 1000s of free professionally made games, all playable online on the website. Play Games from Retro Classic gaming systems including Super Nintendo, Sega Genesis, Game Boy Advance, Atari, etc and from the greatest franchises including Mario, Pokemon, Sonic, Zelda, Final Fantasy, Mega Man, etc. RGR offers games of every genre including RPG, Platform, Arcade, Sports, Puzzle, Strategy, Simulation, Board, Card, Multiplayer, etc. And also have 100s of hacked roms, all playable on the site hassle free. Many of the games require no downloading or installing and can be played in the browser just like Flash but using Java while others require a free and safe plugin to be installed. Whether you're going to video game design colleges for a video game design degree and need some inspiration, you're interested in reliving your childhood or you want to simply experience some of the greatest games ever made, Vizzed RGR is for everyone!All games are no longer being sold but I will remove any copyright violations upon request.
