India a comprehensive geography by khullar pdf

Download India A complete geography of D.R. Khullar – This book entitled “India-A Comprehensive Geography”, is the result of my long teaching experience that extends for over 34 years, completed by a long 27-year innings as author of several books on different topics of Geography. The main object of writing this book is to satisfy the growing demand of a suitable textbook for university and university students at postgraduate and graduate level. In addition, the book will be of great value for candidates appearing in the competitive examinations conducted by the Commission for public services of the Union (UPSC) and the Commissions for public services of State. It is also designed to meet the needs of those who are more serious in adding to their existing knowledge of geography of India. “India A Comprehensive Geography of D.R.
