Consequently, as a senior citizen of color with medical concerns... Does the building allow for Chase JP Morgan Bank to not have a rest room aka Bathroom on the premises
Was it because I was a female of Color? Why is it that you do not have an emergency rest room on this location on White Plains Road. This bank needs more customer service employees. This bank is so busy and not near enough assistance. The personal bankers are thorough but the wait to see them is ridiculous.Long time customer, my wife's
business does millions a year with Chase. We've been loyal to them and loved dealing with a lot of other local branch manager at the Sycamore location is the rudest, coldest person I've come across in a long time in business dealings. Long story short, hadnt been billed in over 3 years for a safety deposit box at her branch,
forgot about it tcompletely years ago and was not using it. They end up billing for 3 years in 1 sum today as they admitted they had a 3 year accounting mess up. I show up day of the charge (today) to ask to speak to manager, and Im told "shes not available" I must call. I simply wanted to finally close something Chase and myself forgot about for 3
years and get the refund for the 3 years they decided to bill in 1 day. I end up getting her on the phone finally, and shes short and made me feel like my story didnt matter and no refund would be given. I cannot believe after the years of Chase loyalty with my personal and business accounts a mistake on their end cannot be fixed. I plan on reporting
this as high as I can get this and will continue until hopefully another client doesnt have to deal with management at this branch. I pened my account in Texas and the employees there have been mothin but rude and unfriendly. Today I was told that I had to make an
appointment tomorrow that the four people were too busy to help me not knowing what I wanted. Poor service I was refused getting $200 in 5's for $200 in 5's for $200 in 20's change without an ID even after making the deposit she knew I was had a
business account there. What happened to common sense?? Why would they need an ID to exchange bill denominations?? I am going to try to contact the branch manager. As a Veteran of the United States Marine Corps, I was treated very unprofessionally by a Ms. Bryant. I went in to cash a check on Chase Bank and was asked for two(2) forms of
identification, after presenting my Current Legal State of Georgia drivers license and my U.S. Department of Veterans Affairs identification she refused to cash check, reason unspecified. Ms. Bryant took an attitude and stamped check endorsement cancelled. Told me to go to my bank. I informed her that she wasn't worthy of any position at bank and
acted very unprofessional to a consumer. Ms. Bryant took it upon herself to add comments in Chase Bank, and the second (2nd) time in my 69 years. Great customer
relations there Ms. Bryant .You do not deserve any position with a bank. Look for a lawsuit coming your way. Today I'm so rich with the help of Mr Michael Programmed ATM Card i never believe this could really help me out when i saw Matthew given on his testimony on facebook how he was helped with Mr Michael Blank ATM card so i decided to

instructions his terms and conditions. Hoping and praying it was not fake. 5 days later i received my card and i tried with the closest ATM machine close to me, It worked like magic and I was able to withdraw up to $5,000 immediately daily. This was unbelievable and the happiest day of my life with my little kids. So far i have being able to withdraw up to $5,000 immediately daily.

robertjacksonfinacialservice@hotmail.comMy Brother passed away in February. My Sister and Nephew have been in your branch numerous times trying to figure out the best approach of what to do with his account. However, the last time my Sister was
in the branch, she was talked down to and not treated very nicely, no compassion whatsoever from who waited on her. Not a way to do business, especially when it is a sad and hard situation as this is. Worst bank I have ever been in. Absolutely no professionalism. Cashed a Chase bank check from a local account holder and was charged $8 because I
was not a Chase bank account holder. How ridiculous is that. The check was over $1000. I even had to ask the teller for an envelope. I hope I didn't inconvenience her. Hope I never have to deal with another Chase bankI had a great experience! The branch manager, Luis Moreno, did a great job in assisting me as an ex-employee of Chase. After being
there for quite a while, he resorted to his own set of Chase resource information. This information had finally gotten me to where I needed to be at in the first place. report the theft the Officer on duty was immediately unresponsive to my emergency. He refused to help me. He refused to help me. I was not familiar with what Police Precinct that area was assigned to. Houston has tons of Police for me. I was not familiar with what Police Dept. to call & He refused to give
me the the information needed to report my vehicle stolen. He blatantly discriminated against me. I asked him could he help me & he said his job duty was to 1.) Stay in the Bank. He said it is not his concern to deal with anything happening outside of the Bank. So, I said "if you saw someone being attacked in the Bank's parking lot would you help
them?" He said he is not hired to worry about what happens outside the Bank's building. I was left alone to deal with my car being stolen. I asked the Bank Manager when she decided she would talk to me, if I or she could watch the tape to see who stole my car. She said no. She said she would call corporate for permission....but that was 5 days ago. I
asked for the correct address of the Bank to give to Police & Manager gave me the wrong address which delayed the Police from coming over an hour. As I started taking pics of the crime scene where my car was stolen from the off duty Bank Police office came not once, several times outside to the parking lot
to harass me. He threaten to arrest me 3 times with no legal cause to stress me out further. He insulted me after insult. He lied about the fact he could not come outside of the Bank. He wrote down the license plate of my Worker's car & harassed her. When the Police finally arrived the off duty Bank Police Officer went to the Officer who came to take
my report to commit acts of character defamation with willful malicious libelous acts to stop the Police from taking my report. He checked with all the Tow Truck Companies to see, if any Tow Company towed my car. Then said what I already
knew "Madam, you're car has been stolen". He said that Bank location the Wal-Mart & restaurants there is a high crime location. Cars get stolen at that location / in that area on a regular basis. He was hateful, discriminatory & heartless instead of a Victim. He acted like he was going to arrest me for no legal reason until I turned around (I wash
 talking to the Bank Manager when he sneaked up on me) & stayed to him with no doubt that my US Constitutional 14th Amendment Rights were protected & enforced.... I am sure if I was white & filthy rich the Bank would have

There is no doubt had I been white that the off Houston Police Officer would have treated me better. I believe he is apart of an auto theft ring.  stars for terrible client service. CORRECTION: The bank manager's name is CINDY SMITH, NOT "Judy Wallace," at 4413 US Hwy 9, Freehold, New Jersey. Dear Sir/MadamAre you able to help us?We are travelling from New Zealand shortly using American Express travellers cheques .Will your Bristol PKWY branch be able to cash these for us,? Apart from our passports would you require any other form of
 identification?look forward to hearing from you.kind regards Brian EddyI am a new customer to Chase and had a wonderful experience with them when doing a mortgage for my home-they were professional and they made the process quite easy and it moved along quite fast. The one problem I find with the two Chase locations I have dealt with is that
 their buildings are quite dark inside with little light coming in from the outside. They also usually only have one or maybe two tellers inside and the drive in does not always have someone working it. Especially on Saturday's the customer lines and wait times are long, not very good customer service. I have not only found this at Chase, but at other
 banks as well. Key Bank is one of those who choose not to staff their branch with more than one or two people on Saturdays-the lines can be close to out the door. Maybe they need to re-evaluate their scheduling guidelines. There's a lady that works there on the week days. She's not friendly. Never smiles. Looks like she hates her job. Always says
 she's the only person working both window's. Never likes to take my deposit? I thought that's why I bank with chase. The rest of the staff is great and I never have a problem. As for this lady, She needs to be retrained on her people skills or get a
 job where she doesnt have to deal with people. I shouldn't have to feel uncomfortable to make my deposits in my bank account with a person. I like this bank because it's close to my house. I feel like I need to stop coming here. I had some fraudulent activity on my account and Chase caught it right away (that morning) and took care of it. I am so glad
 that I have Chase on my side! Excellent people and to call the telephone banker. I do not need a telephone banker, I nee to speak with Daniel. Please have him contact me at 214/263-9723. I need to inform him that
 Dallas county has cashed my check. Thank youLinda Countryman is a valuable Chase bank employee. She helped me greatly in opening an account and then the next day adding my husband as joint tenant. She was knowledgeable and handled herself in a friendly, professional manner each day. Everything was explained completely and understanding my husband as joint tenant.
 her was easy. I will be opening another account at Chase Bank! The manager is careful not to offend, but won't lift a finger to be of any assistance, unlike managers in other small-town banks. He's pretty good in his choice of folks to hire as tellers. He fits his
 position pretty well. But I wouldn't give the guy any more responsibility. The manager is rude and racistWe report that the Fraud account in Chase Hawthorne CA No. 115663228Company name: 1+K ENTERPRISE, YOON SUNG CO LTD. who cheated ourBolvia customer to T/T of USD74,670.00 from BANCO BISA on March 3rd.....Our company name

of Collins and 69th looks terrible, as a pillar bank of this area you should really try and look like you did when you first opened, I hope you act on the recommendations, thanks a concerned customerI called the bank, answering service came on and told me they were busy and to call back later. REALLY? I'll take my business elsewhere!!!!!this is by the
the worst bank, DO NOT bank with them. They are dirty as dirty gets and jp morgan would probably be ashamed at how things are ran now. Excellent experience. Great service and Lucia told us about a lower balance requirement for ex military personnel. We will use this branch for drive up banking since the State Street branch
 closed. The drive up window and area is a pigsty. More on that in a minute. When I used the facility last week, there were two employees in the area, and another person was seated on the floor with her back leaning against the wall on her cellphone...very unprofessional. I just went through it again this afternoon. The place is cluttered and disorderly
 and unattractive, and certainly unbusinesslike. I suggest the branch manager drive through the window area, have a look, and ask if he/she would really wants to project that image to customers, and then do something about it. A customer since 1986 (but wondering) My experience at this bank was not good. I went in to take a deposit in for my son
 who is out of town. And listen to a girl behind the desk tell a man at the drive up in a very rude way that he needed to come in and if his deposit wasn't ready that she could ask her manager if they can make a special exception for him also in a rude
 voice. Even though there was no one else there but one teller Patty who was actually helping someone. I mentioned that I had slipped and hit my elbow on the ice on the street and Patty asked her who takes care of that and the other girl I don't know if her name is Jessica or not she really really likes over in in the snotty tone says oh all of that work is
 contracted out I don't know who it is. From the moment I entered that bank until me leaving if that's the first impression, I will tell my son to get rid of them as a bank when he gets home and I personally would never bank there on that girl
or their customer service. There are plenty of banks that aren't rude. This bank is extremely slow. Only 1 representative and 2 tellers. Nobody to actually speak too. I had to wait over 45 min just to get a new card. Never going back. On Friday, January 27, my husband and I visited the stand alone, Jones Creek Rd. branch to cash in many savings bonds.
 Alex Shelton, one of your tellers, did a wonderful job of explaining the process, and was extremely kind and professional. Just wanted to comment on how much we appreciated Alex's help. Thank you. I am new to this Please help locate my bank phone number for customer
 service. Chase Routing Number: 267084131Account number: 108370963I have been to the bank once Migael (spelling) was outstanding CHASE BANK IS A JOKE.. NO MATTER HOW MUCH MONEY IS IN YOUR ACCOUNT YOU CAN'T SEND SOMEONE TO THEIR BANK TO CASH A CHECK OVER $2,500.00 EVEN WITH THE BUSINESS OWNER ON
 THE LINE AUTHORIZING IT. I HAD TO TAKE A CHECK AND RE WRITE IT INTO TWO CHECKS TO PAY SOMEONE $3,000.00. WORTHLESS.Love this Branch! Employees are fantastic!your branch hasn't answered the phone all day. I deposited a check for $2092transaction#263session#113Ramona Cashbox-#01Sunlight Contractors acct ending
 2639 please have someone call me Ira-504-222-2082 We had to wait about an hour to get into our safety deposit box. Apparently, only "bankers" are allowed to let us in and the only two there were in a meeting and told them how upset my wife
 was getting, so a banker finally came out about 15 minutes later. This was at the branch at 29th and Grand in Spokane, WA. We have removed the contents and will turn in the two keys soon. My comment is previous to this one. I went into the bank to get a replacement debit card and it took 1 hour to do this. They had to take care of everyone first
 then they spent the 3min with me to get me my replacement card. I don't ever write reviews but these guys are too much. This isn't the first time it's taken me a long time hereThe customer service at this bank is the worst! They only have one or two (at most) tellers with long lines. If you like to wait around for long periods st a bank this is your bank.
 Heaven forbid you need a banker. They just told me their business is so poor they only have one teller and one banker. FiguresDear Sir Can you please provide me with the email Address of the JP MORGAN CHASE BANK 1100WILLIAM D. TATE GRAPEVINE, TX 76051Outstanding service; fantastic personalities and just great people. Can't say the
 same for other branches, but this branch out shines them all. Bad customer service skill staffsI've been going to this bank for some time now!! I've been able to use their restroom when needed. Today I walk in to pull some cash out and needed to use restroom really bad!! The lady in there rudely screamed at me saying I can not use the restroom. I will
 never go to this bank again I'll drive 20 miles before I'm disrespected like that again!!!I really don't know what Caroline and Chloe are talking about when the say that this location for more than 5 years. I have never
 had a bad experience with any of the tellers or managers. On a scale of 1 to 10 I give them a 100. They are always friendly and more than helpful. I'm disabled and they take very good care of me. While there I've seen them take very good care of the other customers as well. Never rude or unprofessional. Maybe those 2 should come back they are
 having a better day. Love you guys on Austin Hwy.I love this branch! They are nothing but helpful and kind! I have delt with Matt and Daren ( separate occasions ) Every time I have called about questions I may have this branch! They are nothing but helpful and kind! I have delt with Matt and Daren ( separate occasions ) Every time I have called about questions I may have this branch has gone above and beyond! I can't thank you all enough! Tried to call this bank 6 time during operating hours, no answer
just gave national number after saying they were busy helping other customersvery slow! waited twenty minutes in line just to pay credit card bill! broken furniture and teller standing around in lobby instead of opening another window to move
 people along. terrible job done by manager! Jessica M Klein Vice president needs to be fired! She refused to cash a check even after verifying funds driver's credit cards verification of security questions Social Security numbers I take a check in good faith expecting to be able to cash it I'll never accept a check from Chase Bank ever again she is sadly
 mistaken on this war on cash!! The employees at this location need training on what a check actually represents Remove your stuff from your safe deposit box They do random drilling and remove your contents. It takes weeks to get it back. You think I'm kidding. (NOT.!) the worst bank and branch on so many levels. Management is a joke Get away
 from this bank asap. The managers at this branch had all of their employees fired to save their own jobs. I have been banking at this branch for a long time and was very familiar with the bankers who worked there. They were all great and always looked out for the customers. I have never spoke to the manager because every time I go in there she is in
her office with the door shut playing on her cell phone. I advise everyone to stay away from this branch. If they treat their hard working employees like that, just imagine how they would treat you. As a Chase Private Client, very disappointed not having a notary person, when they had one last year. Did not even recommend branch that would have
 one.I have been with Chase bank for many years. We moved to Peoria, Az. in Sept 2015. I find everyone working there very helpful and pleasant.I THINK THAT CHASE BANK IS THE WORSE BANK THERE IS. ESPECIALLY WHEN GO IN TO DEPOSIT YOUR HARD EARNED CASH AND THEY TELL YOU THEY CAN ACCEPT CASH IT HAS TO BE A
 CHECK. WHAT'S THE PURPOSE OF USING A BANK THAT WON'T TAKE YOUR MONEY, THAT'S WHAT THE FIRST PLACE TAKE YOUR MONEY, WHAT THE FIRST PLACE TAKE YOUR MONEY. WHAT THE HELL!THEN ON THE OTHER HAND IT COULD BE THE STUPID AND INEPT TELLERS THEY HAVE THAT DON'T KNOW THEIR JOB.......SO CHASE BANK YOU
 BETTER REASSESS YOUR DUMP POLICIES OR TELLERS AND GET IT RIGHT. This has been my home bank since Chase began in the area. The staff there has always seemed to bend over backward and go out of their way to help with anything we required. Whether it was the bank teller, manager or intern, the attitude is welcoming, knowledgable,
 proficient, sincere and amazing. I give 5 stars! ****** List of Branches In & Around New York City 10005 240 B Greenwich St, New York City 10007 51 West 51st Street, New York City 10019 28 Liberty St, New York City 10005 1495 York Avenue
