Ibis paint s an multi task app u can do may thing for example make a logo if u don't believe me I have done it before actually and btw also thumbnails to but boy there is a lot of brushes u can but or watch an add to get 18 HOUSE OF BRUSHES Luke what that's amazing and there is a lot of layers rulers stencils and more! This app also has blur smudge which lasso and more!! is also just amazing The only problem is that I can't put a lot of frames and that's not really a big problem so this is just an outstanding app 10/10 It's perfect for editing a lot of stuff and for making art work. I can't think of an app better The developer, ibis inc., indicated that the app's privacy practices may include handling of data as described below.
